Taskforce Recruitment ~ HCF's Gets New Fax Number ~ MSO HUB ~ Calendar of Events ~ Hospice Ball

Are you interested in spending a couple hours a month to help us manage our new programs? We are currently recruiting community members to sit on each of the two taskforces. Membership is limited to ten (10) members per taskforce. Orientation will be provided for the new members. Applications can be emailed, faxed or mailed to you. Please read below for some of the pertinent information. For more detailed descriptions, call us at (406) 541-2255.

Granting Taskforce: To work with the staff of the Hospice Care Foundation to review and offer suggestions on granting programs. Taskforce will review the granting programs to ensure compliance with the annual goals and budget as set by the Board of Directors. Taskforce members will assist in reviewing grant applications, choosing grantees based upon selection criteria and be involved in the award process.

Community Education Campaign Taskforce: To assist the staff of the Hospice Care Foundation in carrying out their annual education campaign by offering suggestions and insight on its current educational activities. The Taskforce will also work to ensure that the campaign does not duplicate educational services already being provided but instead compliments the gaps in current hospice and palliative community education.

Volunteers are asked to donate approximately 2 hours of their time per month. If you would like to get involved, contact us at (406) 541-2255 or via email at admin@hcfmissoula.com.

Hospice Care Foundation is growing.
We now have a fax number:
